Pupil Premium

The Pupil premium is allocated to children from low-income families who are currently known to be eligible for FSM in both mainstream and non-mainstream settings and children who have been looked after continuously for more than six months. It is also used for pupils who have been on the FSM register but no longer qualify. Schools have the freedom to spend the Premium, which is additional to the underlying schools budget, in a way they think will best support the raising of attainment for the most vulnerable pupils. In 2014/15, Tarleton Holy Trinity CE Aided received **£18,353**

Last financial year (2014/15), at Tarleton Holy Trinity, the money was used in a variety of ways:

- Continuation of additional teaching assistant hours, to provide intervention
- Paying for the support of an Educational Psychologist from Lancashire traded services
- Special Needs Programmes (including dyslexia support) + resources to run these programmes
- Paying for breakfast club places to for a Looked After Child
