Primary PE and Sports Grant 2014/15

The government is providing additional funding of £150 million per year for academic years 2013 to 2014 and 2014 to 2015 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - is allocated to primary schools.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

We will spend the additional funding on improving provision of PE and sport.

As parents are aware, we have provided many varied opportunities for the children to receive major games coaching in recent terms. We also have a range of after school sports activities that are available due to the time generously given by the staff and voluntary helpers also.

Our allocation of £8 000 plus £5 per pupil, will be spent in a variety of ways:

- hiring specialist PE teachers or qualified sports coaches to work with teachers when teaching PE
- supporting and engaging the least active children through new or additional 'Change4Life' clubs
- paying for professional development opportunities for teachers in PE and sport
- providing cover to release primary teachers for professional development in PE and sport
- running sport competitions, or increasing pupils' participation in the School Games
- buying quality assured professional development modules or materials for PE and sport
- providing places for pupils on after school sports clubs and or holiday clubs

From September 2013, we will be held to account over how we spend our additional, ring-fenced funding.

Ofsted will strengthen the coverage of PE and sport so that both schools and inspectors know how sport and PE is assessed in future as part of the school's overall provision.

This year Ofsted will carry out a survey reporting on the first year's expenditure of additional funding and its impact.

The additional funding will be paid to eligible schools in the academic years 2013 to 2014 and 2014 to 2015

Tarleton Holy Trinity CE Primary School has bought into the West Lancs Schools Sports' Partnership (WLSSP) to provide further sporting coaches every week.

We have subscribed to a 1 day School Sport Specialist Package which includes membership to the West Lancashire School Sport Partnership. The cost of this is £5,900 per academic year confirmed for both the 2013/14 and 2014/15 academic years.

We are also taking part in the 'Chance to Shine' Cricket project run by Lancashire County Cricket Club which has been in operation in West Lancashire since 2009. This package is delivered at a cost of £395 per year for two years (2013/14 & 2014/15).

The school has also updated PE resources in the school hall, maintaining PE mats and replacing new climbing ropes, rope ladders and benches at a cost of £1,000.
